KIDNEY INFORMATION - CONTACT LIST

American Kidney Fund (AKF)

Description:

The American Kidney Fund is a publicly supported non-profit organization founded in 1971. The AKF provides comprehensive programs of kidney health awareness, education, and prevention. It provides financial assistance that helps 1 out of every 5 U.S. dialysis patients to access health care.

Examples of AKF opportunities:

- AKF Ambassador Program
- AKF financial grants to kidney patients and donors to cover insurance premiums, transportation, lost wages.
- AKF Peer Mentor Program
- Patient materials
- Webinars with guest speakers on various topics supporting kidney disease.
- AKF Kidney Action Summit
- AKF Research Opportunities
